Change Makers

The music 'Change Makers' listed here are other people and organisations with whom we have worked. They are helping young people reach their full potential; they are leading long-term social action programmes in communities; they are seeking to transform music education or the music sector through greater diversity and equality of opportunity; they are striving to make great music while tackling big

Spotlight on...

Emily Kubitskey, teaching artist

Emily Kubitskey came to England from Los Angeles in August 2016 to lead the woodwind section and tutor the clarinet players of the Sistema England Young Leaders Orchestra. Since then, the
